Take control and become a CNA in a few weeks!

Welcome to HealthTech

Welcome to HealthTech where learning is convenient and only takes a few weeks.

Be prepared to meet the skills required to meet the health care needs

Responsive website
created for the CNA Program
at Health Tech Training Institution

New Classes

Individuals who are certified enjoy higher earnings and more promotion opportunities. Benefits to becoming a CNA include enhanced self-worth, improved job satisfaction, increased knowledge, and the ability to make a positive impact on patient care. Call today to find out more about becoming a CNA.

CRR Training

CPR and First Aid training available by appointment! Call Today to find out more. (770)739-3327 or (404)751-8009

Getting Ready

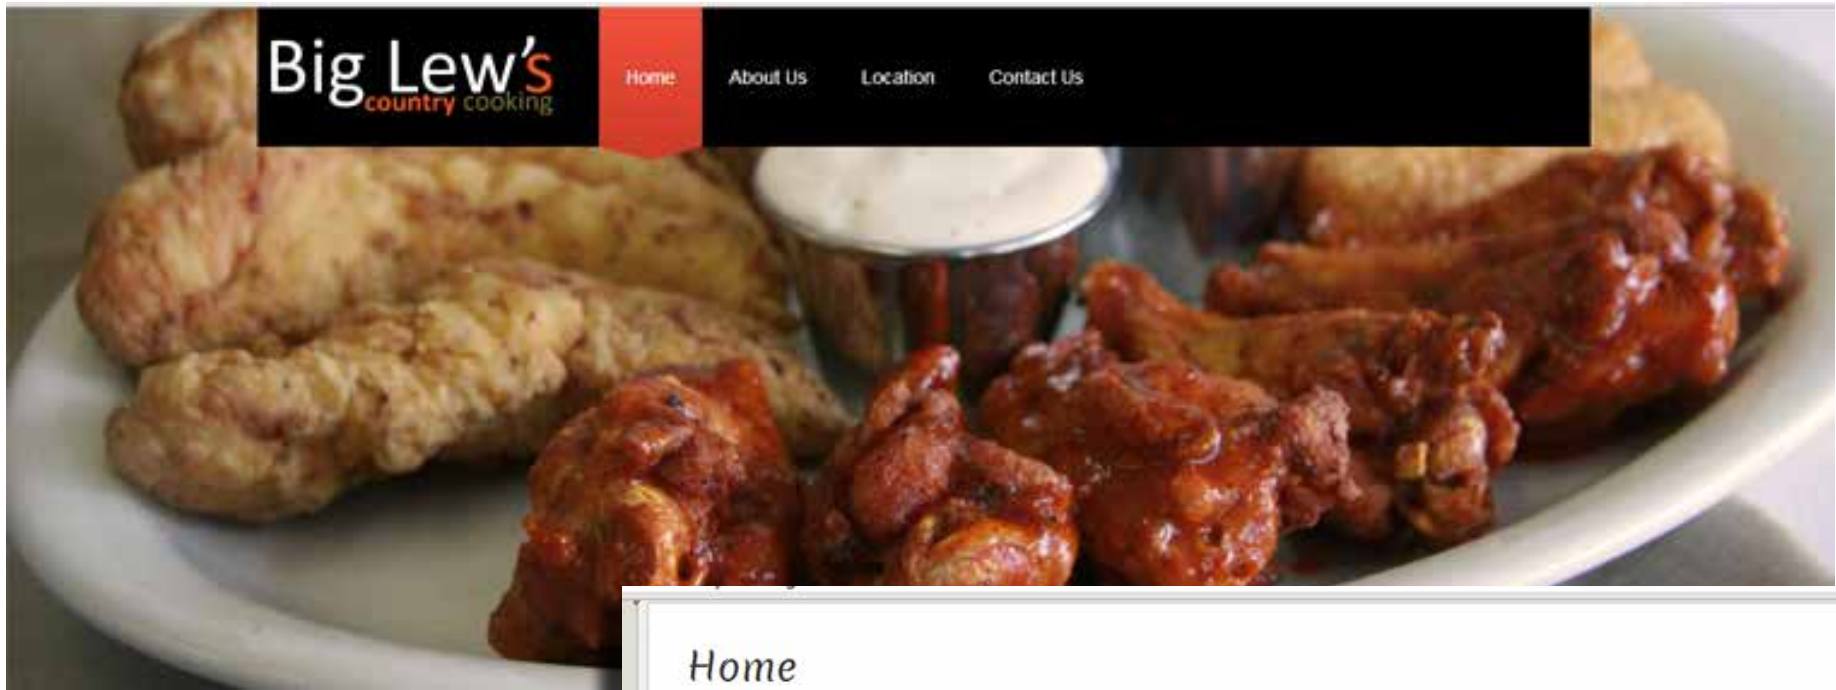

We help get you ready for the future. State testing upon completion of course. With new classes starting weekly, now is the right time to apply.

Don't wait, stop by today.

Stop by the office today to talk to us about getting started. See you soon.

"...ideas to communication."

ColumbusCookStudios.com

Very often, we call from developers who need to stimulate sales before final design phase is complete and construction begins. To accomplish this task, we are able to complete a loose marker rendering that conveys the developer's overall idea without committing to specific architectural detail.
